

## Exit Wound

Fish

There's a hole in my heart the tears in the dark have dried up  
and gone by the time that it takes to run through to the end of  
the night, through this hole in my heart, a hole in my heart

There's a space in my head a hollow you left by my side in the  
bed where I sleep in the shadows of broken dreams in a hole in  
my heart, this hole in my heart,

The wounds may have healed but the scars last forever,  
On the outside you never could guess, there's barely a sign  
But get close and you'll sense that's something's wrong, someth  
ing's gone, something's lost, something's over,

This hole in my heart.

There's a place where I go where time is so slow, memories circ  
le my mind,  
Burning on entry just like falling stars  
Through this hole in my heart,

The wounds may have healed but the scars last forever,  
On the Outside you never could guess, there's barely a sign  
But get close and you'll sense that's something's wrong, someth  
ing's gone, something's lost, something's over,

This hole in my heart,  
There's a hole in my heart.
