Superman

Five For Fighting

```
C  G  Ami  F  C  G  Ami  F
```

```
C                    G
I can't stand to fly
Ami              F
I'm not that naive
C                    G
I'm just out to find
Ami                  F
The better part of me
```

```
                 C                      G
I'm more than a bird...i'm more than a plane
              Ami             F
More than some pretty face beside a train
          C        G  F C
It's not easy to be me
```

```
                 G
Wish that I could cry
Ami            F
Fall upon my knees
C              G
Find a way to lie
Ami                  F
'Bout a home I'll never see
```

```
                 C                      G
It may sound absurd...but don't be naive
     Ami              F
Even heroes have the right to bleed
           C                      G
I may be disturbed...but won't you concede
     Ami               F
Even heroes have the right to dream
          C      G  F  C  Emi
It's not easy to be me
```

```
Ami    G   C       Dmi        Ami
Up, up and away...away from me
         D                C                  D
It's all right...you can all sleep sound tonight
       F         G
I'm not crazy...or anything...
```

```
C                    G
I can't stand to fly
Ami              F
I'm not that naive
C                    G
Men weren't meant to ride
Ami                      F
With clouds between their knees
```

```
             C                  G
I'm only a man in a silly red sheet
                Ami                      F
```

```
Digging for kryptonite on this one way street
        C                       G
Only a man in a funny red sheet
            Ami                 F
Looking for special things inside of me
          C G
Inside of me
       AmiF
Inside me
             C G
Yeah, inside me
         AmiF
Inside of me

             C
I'm only a man
               G
In a funny red sheet
           Ami
I'm only a man
               F
Looking for a dream

             C
I'm only a man
               G
In a funny red sheet
           Ami    F
And it's not easy, hmmm, hmmm, hmmm...

                    C   G  Ami  F  C
Its not easy to be me
```
