

minds of men

FKA twigs

Ooh, yeah, ooh, yeah
Ooh, yeah, ooh, ooh, yeah
Ooh, yeah, yeah, yeah, yeah
Ooh, yeah, ooh, ooh, yeah

Great minds of men will fall down
Without nature's peace or a woman's profound
Love and death is compound
Intertwine, be wisdom bound

Brave eyes, how we flow
Wave with my body, bathe in my sea
Easy, come on in slow
Crown you with my love, lay down the weak

Down, ooh, down, troubles
Lay your troubles down and your heavy crown
Take your troubles off, I'ma love you soft
Let's make amends with minds of men

When he's inside, a man's a boy, he's all alone
You will know when he's inside
Give him your love and don't deny
Be the shoulder where he cries
Love and death is compound
I am yours tonight
The humankind, sacred is the body, baby

Brave eyes, how we flow
Wave with my body, bathe in my sea
Easy, come on in slow
Crown you with my love, lay down the weak

Down, ooh, down, troubles (Passin' do bandido, Passin' do bandido)
Lay your troubles down and your heavy crown
Take your troubles off, I'ma love you soft
Let's make amends with minds of men
Mmm, minds of men
Lay your troubles down and your heavy crown
Take your troubles off, I'ma love you soft
Let's make amends with minds of men (Troubles)

Down, ooh, down, troubles (Do it)
Ooh, yeah, ooh, yeah
Ooh, yeah, ooh, ooh, yeah (Lay your troubles down)
Ooh, yeah, yeah, yeah, yeah (Lay your worries down)
Many minds of men do the best they can
We don't want to fight, let me take your hand
Just lay your worries down
Now it's a woman's world
