See di song, yah, people, see di song, yah

Gyal that can wine, or gyal that can dance
And I just meanin', like, she just let—
Lets herself be free and so expressive and just don't give a fuck
Uh, there's nothing more sexier than that

Truth stay, vibe never realer
Got that Capri' Sun energy, yeah
There's a grind up on in your area
Let's start it again
Boom, boom, take us when you can't find the one
But everybody wants to send out for my love
Sticky, sweet, I'm gonna be like a killer
A killer, a killer

Don't stop, don't stop
Papi, papi, don't stop
Don't stop, don't stop
Switch it up, but don't stop
I'ma, I'ma
Throw it like a tantrum
Don't stop, don't stop
Papi, papi
Let's start it again (Papi)

Strong grip gripping on my body
You can hold it
Never stop, I ain't met no body, no
Who control this
Not enough, just a little more
Guess you want this
Eyes wide shut, we can rock till the morning
Papi got an itch I could pacify (Tap, tap, tap)
Tell me when, tell me where
I can read your body fine
Got that Capri' Sun energy, yeah
Got that Capri' Sun energy, yeah

Don't stop, don't stop
Papi, papi, don't stop
Don't stop, don't stop
Switch it up, but don't stop
I'ma, I'ma
Throw it like a tantrum
Don't stop, don't stop
Papi, papi
Let's start it again (Papi)

Oh, you're so damn fine
We bump and grind and twirl (And twirl)
The champagne bubble up (Bubble)
My champagne bubble girl
Oh, you're so damn fine
We bump and grind and twirl (And twirl)
The champagne bubble up (Bubble)
My champagne bubble girl

FKA twigs, Jamaica, England, rrah
Don't stop, backtrack if you wanna tap dat
Real steady, in fact, can you even handle that?
My gyal never lack, simmer for the season
Spicy hot body, ready for the evening
Don't feel like I could be with a girl if she can't dance
Let's start it again

Don't stop, don't stop
Papi, papi, don't stop
Don't stop, don't stop
Switch it up, but don't stop
I'ma, I'ma
Throw it like a tantrum
Don't stop, don't stop
Papi, papi
Let's start it again (Papi)
