It's so nice to have a cuddle  
What's the melody you're doing?  
Oh  
Are we recording? 'Cause this is good

Road, like, thug mentality (Yeah), was my type  
A sense of protection, that's what it gives me (Hmm)  
That's what I connect it with, but—  
I have to be se\*\*\*\*ly attracted to you though, c—

And it's like  
It's not a massive deal  
Don't you know that I like you?  
Aha, this is a big deal

Though I kind of like guys that usually smoke weed (Get it, get it, period)  
Who usually sell drugs (Period)

Let's—  
No, but I was there for it, sis

So, I'd get on the train  
Croydon to Victoria Town Junction to get on a coa—  
And I'd go and chill with him for, like, an hour  
What did he do?  
He was an athlete  
I wasn't his track girl

I, I, I, I  
Yeah, I haven't been heartbroken since I was about seventeen ne  
ither  
I'm proper heartbroken at the moment  
Are you?  
Yeah...  
That sucks, like, when you're...  
Were you dating someone proper?  
No, it was, like, really complicated, like, everything I could  
get into is... Nothing's ever easy  
You seem like a crazy girlfriend, though  
Do I?  
Yeah
