It's all a mystery

Oh to fight is to defend if it's not

Now than tell me when would be the time that you would stand up

And be a man - for to lose I could accept but to surrender

I just wet and regretted this moment - oh that I - I

Was the fool

I don't know where the sun beams end and the star

Light begins it's all a mystery

And I don't know how a man decides what right for his

Own life - it's all a mystery

And I don't know how a man decides what right for his
