

Ma, I Didn't Notice

Flaming Lips

Mom, I'm dying
Mom, I'm dying again
And I didn't notice, I didn't notice
I didn't notice, I didn't notice

Mom, I love her
Mom, I love her again
And I didn't notice, I didn't notice
I didn't notice, I didn't notice

Mom, I'm helpless
Mom, I'm helpless again
And I didn't notice, I didn't notice
I didn't notice, I didn't notice
