

## One More Robot/Sympathy 3000-21

Flaming Lips

Unit three thousand twenty one is warning  
Makes a humming sound - when its circuits  
Duplicate emotions - and a sense of coldness detaches  
As it tries to comfort your sadness -

One more robot learns to be something more than  
A machine - when it tries the way it does - make it seem  
Like it can love -  
Cause it's hard to say what's real - when you know the  
Why you feel - is it wrong to think it's love  
When it tries the way it does...

Feeling a synthetic kind of love  
Dreaming a sympathetic wish -  
As the lights blink faster and brighter -

One more robot learns to be something more than  
A machine - when it tries the way it does - make it seem  
Like it can love -  
Cause it's hard to say what's real - when you know the  
Why you feel - is it wrong to think it's love  
When it tries the way it does...
