

Slow Motion

Flaming Lips

Hey, come on over
You know the day is going slower.
It takes a year to make a day
And I'm feeling like a float in a Macy's Day parade,
Or like a boat, out on the ocean
I'm drifting round in slow motion.

It takes a year to make a day...

Hey, come on over
You know the day is going slower.
It takes a year to make a day
And I'm feeling like a float in a Macy's Day parade,
Or like a boat, out on the ocean
I'm drifting round in slow motion,
Motion, motion
