

# Only You

Fleetwood Mac

Only you  
Give me all I need  
Only you  
Give me all I need  
When I see you, walking around  
When I see you, walking around  
Baby I need you  
Baby I love you  
Baby I need you

Only you  
Give me all I need  
Only you  
Give me all I need  
When I see you, walking around  
When I see you, walking around  
Baby I need you  
Baby I love you  
Baby I need you

When I see you, walking around  
When I see you, walking around  
Baby I need you  
Baby I love you  
Baby I need you
