

Falling

Flipper

Feeling so run down, irm feeling so tired
Feeling so run down, irm feeling so tired
Running round town trying to get me
Something to pick me up
Got any speed
Got any needles
Got any fun
Irm hitting
Irm hitting
Irm hitting and irm hitting
Irm falling through a hole in my arm
Now irm hitting
Irm rushing
Irm rushing
Irm hitting my arm now
Irm rushing now, irm hitting now, irm rushing
Now irm falling
Falling
Falling
Irm spinning
Irm spinning
Irm spinning around around around...
