

# Queen Anne's Revenge

Flogging Molly

You can't see the demons  
Till the demons come calling for you  
You're deaf to them screaming  
Till they're standing right behind you  
Blind to flames glowing  
Till thy're growing all around you  
Numb to fangs gripping  
Until they're ripping into you

You're miles from safe harbor  
Run, run, run, run, run away  
The fire has reached starboard

On the Queen Anne's Revenge  
Skull and bones and a serpent's head  
Are dancing with the madmen  
On the Queen Anne's Revenge  
Have a gargle with your demons and me

Walked the plank of SS Seasick  
Survived to only continue the curse  
Marooned on a small sandy island  
With neither bird, beast nor herb  
Drums started beating  
None there but the sun and the flu  
An the horns of the demon  
No time to decide what to do

You have to do things your own way  
Run, run, run, run, run away  
You'll have to find out the hard way

On the Queen Anne's Revenge  
Skull and bones and a serpent's head  
Are dancing with the madmen  
On the Queen Anne's Revenge  
Have a gargle with your demons and me

Drums started beating  
None there but the sun and the flu  
You can't see the demons  
Untill the demons come calling for you

On the Queen Anne's Revenge  
Skull and bones and a serpent's head  
Are dancing with the madmen  
On the Queen Anne's Revenge  
Have a gargle with your demons and me
