## Technoromance

Only one nation Only one groove Where will the people move Only one vison only one beat Where will the people meet

If you want me Get ready to dance And twist your arms up in the sky join the party Cuz this is the chance to live this magic techno romance

techno romance techno techno romance

If you want me Get ready to dance And twist your arms up in the sky join the party Cuz this is the chance to live this magic techno romance

I wanna live my life I wanna get it right I wanna dance in your eyes and this is my life I wanna live my life I wanna get it right I wanna dance in your eyes and its my life tonight
