

# Drumming Song

Florence + the Machine

There's a drumming noise inside my head  
That starts when you're around  
I swear that you could hear it  
It makes such an all mighty sound

There's a drumming noise inside my head  
That throws me to the ground  
I swear that you should hear it  
It makes such an all mighty sound

Louder than sirens  
Louder than bells  
Sweeter than heaven  
And hotter than hell

I ran to the tower where the church bells chime  
I hoped that they would clear my mind  
They left a ringing in my ear  
But that drum's still beating loud and clear

Louder than sirens  
Louder than bells  
Sweeter than heaven  
And hotter than hell

Louder than sirens  
Louder than bells  
Sweeter than heaven  
And hotter than hell

Louder than sirens  
Louder than bells  
Sweeter than heaven  
And hotter than hell

As I move my feet towards your body  
I can hear this beat it fills my head up  
And gets louder and louder  
It fills my head up and gets louder and louder

I go to the river and dive straight in  
I pray that the water will drown out the din  
But as the water fills my mouth  
It couldn't wash the echoes out  
But as the water fills my mouth  
It couldn't wash the echoes out

I swallow the sound and it swallows me whole  
Till there's nothing left inside my soul  
As empty as that beating drum  
But the song has just begun

As I move my feet towards your body  
I can hear this beat it fills my head up  
And gets louder and louder  
It fills my head up and gets louder and louder

There's a drumming noise inside my head  
That starts when you're around  
I swear that you could hear it  
It makes such an all mighty sound

There's a drumming noise inside my head  
That starts when you're around  
I swear that you could hear it  
It makes such an all mighty sound

Louder than sirens  
Louder than bells  
Sweeter than heaven  
And hotter than hell

Louder than sirens  
Louder than bells  
Sweeter than heaven  
And hotter than hell

As I move my feet towards your body  
I can hear this beat it fills my head up  
And gets louder and louder  
It fills my head up and gets louder and louder
