

Here's to the Good Times

Florida Georgia Line

We'll turn it up loud
Mix it up strong, leaning back slow, get your feel good on
Cut em off shore, roll it up tight, let it unwind tonight
Drop down, the top down on the pontiac
Wherever you wind up is where the parties at
Break out the bottle of bacardi black and don't look back

Cause here's to the good times
Here's to the sunshine
Here's to the ice you float your beer in
Till the tops still pop and the tan-lines disappear and oh my my
She's a little bit tipsy, leans in for a kiss, she's stealin' your heart
Just like a gypsy
And there you are, just a drunken star is fallin' in her eyes
Here's to the good times
While there's still time

We'll lay it all out, spray it on sweet
Carve it in oak in permanently
Park it way back
Fog it on up, singin' whoa oh oh, whoa oh oh
Radio is spilling from a single cab
She looks so good with her silver tabs
Hanging on a branch by the river that's a memory that'll get you when you
Look back

Cause here's to the good times
Here's to the sunshine
Here's to the ice you float your beer in
Till the tops still pop and the tan-lines disappear and oh my my
She's a little bit tipsy, leans in for a kiss, she's stealin' your heart
Just like a gypsy
And there you are, just a drunken star is fallin' in her eyes
Here's to the good times
While there's still time

Drop down, the top down on the pontiac
Wherever you wind up is where the parties at
Break out the bottle of bacardi black
And don't look back

Cause here's to the good times
Here's to the sunshine
Here's to the ice you float your beer in
Till the tops still pop and the tan-lines disappear and oh my my
She's a little bit tipsy, leans in for a kiss, she's stealin' your heart
Just like a gypsy
And there you are, just a drunken star is fallin' in her eyes
Here's to the good times
Well here's to the good times and the moonshine and the blue eyes under the
Moonlight
Here's to the good times
Well here's to the good times livin' a moonwine, living you all night under
The moonlight
Here's to the good times
While there's still time
