

Sack'a Puppies

Florida Georgia Line

Hi there fellas this is your Brother Jervel again
Just wanna call on in, talk to you a little bit
Kinda let you know what's goin' on down here at the church, you
know
I'm diggin' through these pray request
And it looks like Jessie Lee's name is back in the basket again
And you her, mom and daddy still worried about it
Y'all remember her, I mean she's cuter than a sack'a puppies
But, you know, she used [?]
But now she's run off with this trust fund boy and they just, j
ust worried about her
They travelin' the world and she's worried about, all the diffe
rent food poisonings
And people eatin' all kinda different things out there, you kno
w
So they just worried about her and want her to come back home,
you know
Just wish she'd married one of y'all boys
Either way, talk on y'all later
Call me sometime!
