

## Carry On

Flotsam and Jetsam

It gets under my skin  
The need to just one time win  
When I am given a reward  
It's often at the wrong end of a sword  
The way that you have handled me  
Makes me wish that I was free  
I wanna just get up and run  
My time with you has lost it's fun

When you look at me I know  
That it's time for me to go  
I don't care about what you've lost  
Or about your personal cost  
My life isn't yours to change  
Improve, better, or rearrange  
Ya take me for what I am  
Or don't cause I don't give a damn

I won't take anymore of this  
It consumes my mind  
I won't take another, minute of this,  
Waste of my time

I, I, I,  
I can take a shot at this myself  
I, I, I,  
I will carry on

Now it's time to figure it out  
Think hard of what it's all about  
Is any of this good for me  
I got no time to wait and see  
I'm out the gate like an angry stampede  
Bound and determined to succeed  
If you're an obstacle in my way  
Drop to your knees and pray
