

Personal Stereo

Flunk

This one goes out to the one I love
This one goes out to the one I love
This one goes out to the one I love
Coming to you, on your personal stereo

I'm coming back to play
But I don't know the rules
And I'm nobody's fool but myself
So if you want it any other way - it's OK

I'm coming back to play
But I don't know the rules
And I don't know the name of this game
So should I stay, or should I walk away

This one goes out to the one I love
This one goes out to the one I love
This one goes out to the one I love
Coming to you, on your personal stereo

I coming back to play
But there are still things to learn
About religion and science and love
I know, cause I'm an amateur and you're a pro
