

## Love Song

Flux of Pink Indians

I've never written a love song  
That didn't end in tears  
Maybe you'll rewrite my love song  
If you can replace my fears  
I need your patience and guidance  
And all your lovin' and more  
When thunder rolls through my life  
Will you be able to weather the storm?  
There's so much I would give, baby  
If I'd only let myself  
There's this well of emotions  
I feel, I must protect  
But what's the point of this armor  
If it keeps the love away, too?  
I'd rather bleed with cuts of love  
Than live without any scars  
Baby, can I trust this?  
Or do all things end?  
I need to hear that you'll die for me  
Again and again and again  
So tell me, when you look in my eyes  
Can you share all the pain and happy times?  
'Cause I will love you for the rest of my life  
This is my very first love song  
That didn't end in tears  
I think you rewrote my love song  
For the rest of my years  
I will love you for the rest of my life
