

In love again

Fly Project

I just wanna light up your life
Until you want to surrender
You just put my dreams in a little house
Until my dream will break.
(2x)

You'll be my love and love will be in love again
I'm gonna find my love tonight and you will be the same.
(2x)

You'll be my love and love will be in love again
I'm gonna find my love tonight and you will be the same.
