

# So I Thought

Flyleaf

**D**

All your twisted thoughts free flow  
To everlasting memories

**Bm7**

Show soul

**A**

Kiss the stars with me

**G**

And dread the wait for

**D**

Stupid calls returning to us to life  
We say to those who are in love

**Bm7**

It can't be true 'cause we're too young

**A**

**G**

I know that's true because so long I was  
So in love with you

**Bm7**

So I thought

**A**

**G**

A year goes by

And I can't talk about it

On my knees

Dim lighted room

Thoughts free flow try to consume myself in this

I'm not faithless

Just paranoid of getting lost or that I might lose

Ignorance is bliss cherish it

Pretty neighborhoods you learn to much to hold

Believe it not

And fight the tears

With pretty smiles and lies about the times

A year goes by

And I can't talk about it

The times weren't right

And I couldn't talk about it

**D**

Choris Romance says goodnight

**Bm7**

**G**

Close your eyes and I'll close mine

**D**

Remember you, remember me

**Bm7**

**G**

Hurt the first, the last between

**D**

Choris Romance says goodnight

**Bm7**

**G**

Close your eyes and I'll close mine

**Bm7**

Remember you, remember me

**G**

Hurt the first, the last, between

**Bm7            A                            G**  
And I'm praying that we will see  
Something there in between  
**Bm7            A                            G                            Bm7    A    G    G**  
Then and there that exceeds all we can dream

**Bm7 A G G**

And all these twisted thoughts I see  
Jesus there in between  
And all these twisted thoughts I see  
Jesus there in between
