Flyleaf

**F#m** **A**  
1. My hands are searching for you  
**D**  
My arms are outstretched towards you  
**F#m** **A**  
I feel you on my fingertips  
**D** **F#m A D**  
My tongue dances behind my lips for you  
**F#m** **A**  
This fire rising through my being  
**D** **F#m A**  
Burning I'm not used to seeing you  
  
I'm alive (2x)

**F#m** **A**  
R: I can feel you all around me  
**D** **A** **E**  
Thickening the air I'm breathing  
**F#m** **A**  
Holding on to what I'm feeling  
**E** **D**  
Savoring this heart that's healing

**F#m** **A**  
2. My hands float up above me  
**D**  
And you whisper you love me  
**F#m** **A**  
And I begin to fade  
**D**  
Into our secret place  
**F#m** **A**  
The music makes me sway  
**D** **F#m** **A**  
The angels singing say we are alone with you  
**D**  
I am alone and they are too with you  
  
I'm alive (3x)

R:

**F#m A D**  
And so I cry  
**F#m A D**  
The light is white  
**F#m A D**  
And I see you  
  
I'm alive (2x)

**F#m**  
Take my hand I give it to you  
**A**  
Now you owe me All I am  
**D**

You said you would never leave me

**D**

I believe you I believe

R:
