I don't know what the plan is but you can  
**F** **G** **Am**  
Share with me cause I'll  
  
Be a listening ear to everything you  
Say I won't turn away  
And I'll Listen open up my heart and I must  
Say that I love you so

2. Every day is a battle I face  
It's a strange life I live but it's what you've decided  
I give it all into your hands do what you  
will with me and I'll  
  
I'll smile when you speak  
Remember all those times I was hoping for something?  
And shaking my head from all I had  
Done but you never left me

R: Ooooh la love... (2x)
