

# Giants Fall

Francesca Battistelli

Everyone's telling you  
To let go of what you're holding to  
It's too late, too far  
You're too small, it's too hard  
Throwing water on that spark  
Living deep inside your heart  
With oceans of reasons  
The things you're not seeing  
But oh, maybe they don't  
Know what you know  
That you're not alone

Don't you be afraid  
Of giants in your way  
With God you know that anything's possible  
So step into the fight  
He's right there by your side  
The stones inside your hand might be too small  
But watch the giants fall

We could really live like this  
Can't you imagine it  
So bold, so brave  
With childlike faith  
Miracles could happen  
Mountains would start moving  
So whatever you may face

Ask and believe  
You're gonna see  
The hand of God in every little thing

Miracles can happen  
Anything is possible  
Watch the giants fall
