

You're Here

Francesca Battistelli

Hold on now, got to take a deep breath
I don't know what to say when I look in your eyes
You made the world before I was born
And here I am holding you in my arms tonight

Noel, Noel
Jesus our Emmanuel

You're here, I'm holding you so near
I'm staring into the face of my Savior
King and Creator
You could of left us on our own
But you're here

I don't know how long I'm going to have you for
But I'll be watching when you change the world
Look at your hands, they're still so small
Someday you're going
To stretch them out and save us all

Noel, Noel
God with us, Emmanuel

You're here, I'm holding you so near, oh, oh
I'm staring into the face of my Savior
King and Creator
You could of left us on our own
But you're here, you're here

Someday I'm going to look back on this
The night that God became a baby boy
Someday you're going to go home again
But you'll leave your spirit
And flood the world with joy

You'll be here, I'm holding you so near, oh, oh
I'm staring into the face of my Savior
King and Creator
You could of left me on my own
But you're here, You're here

Hallelujah, You're here
Hallelujah, You're here
