I, I, I

Know you got someone comin'

Pool side convo about your summer last night, oh yeah About your summer last night Ain't give you no play, mm Could I make it shine last night? Could I make it shine on it last night, last night? Could we make it in? Do we have time? I'll be the boyfriend in your wet dreams tonight Noses on a rail, little virgin wears the white You cut your hair but you used to live a blinded life Wish I was there, wish we'd grown up on the same advice And our time was right Keep a place for me, for me I'll sleep between y'all, it's nothing It's nothing, it's nothing Keep a place for me, for me Now and then you miss it, sounds make you cry Some nights you dance with tears in your eyes I came to visit cause you see me like a UFO That's like never, cause I made you use your self control And you made me lose my self control, my self control Keep a place for me, for me I'll sleep between y'all, it's nothing Keep a place for me It's nothing, it's nothing It's nothing, it's nothing I, I, I Know you gotta leave, leave, leave Take down some summer time Give up, just tonight, night, night I, I, I Know you got someone comin' You're spitting game, oh you got it Know you gotta leave, leave, leave Take down some summer time Give up, just tonight, night, night I, I, I Know you got someone comin' You're spitting game, oh you got it (Nobody else, nobody else) I, I, I Know you gotta leave, leave, leave Take down some summer time Give up, just tonight, night, night I, I, I Know you got someone comin' You're spitting game, oh you got it I, I, I Know you gotta leave, leave, leave Take down some summer time Give up, just tonight, night, night

You're spitting game, oh you got it
