

I Had the Craziest Dream

Frank Sinatra

I had the craziest dream, last night - yes I did, I never dream
ed it could be
Yet there you were - in love with me
I found (saw) your lips next (close) to mine - so I kissed you
(them)
And you didn't mind it at all
When I'm awake, such a break never happens, how long can a guy
go on dreaming
If there's a chance that you care, then please say that you do
Say it and make my craziest dream come true
