

Time After Time

Frank Sinatra

What good are words I say to you?
They cant convey to you whats in my heart
If you could hear instead
The things Ive left unsaid

Time after time
I tell myself that I'm
So lucky to be loving you

So lucky to be
The one you run to see
In the evening, when the day is through

I only know what I know
The passing years will show
Youve kept my love so young, so new

And time after time
Youll hear me say that I'm
So lucky to be loving you
