

# Beach Party

Frankie Avalon

We got an early start  
We're gonna to have a ball  
We're gonna ride the surf  
Yeah, that ain't all

Nothin' is greater than the sand, surfing, salt air  
Unrack our boards just as soon as we get there  
Stack 'em in the sand while they're breaking just right  
Yea we're surfin' all day and swingin' all night  
Vacation is here - beach party tonight

We're chauking our boards  
(Chauking our boards)  
While we're in school  
(While we're in school)  
Now we're waxing our Ford  
(Waxing our Ford)

Nothin' is greater than the sand, surfing, salt air  
Unrack our boards just as soon as we get there  
Stack 'em in the sand while they're breaking just right  
Yea we're surfin' all day and swingin' all night
