

Christmas and You

Frankie Avalon

I'll remember Christmas and you
All through the rest of the year
I'll be hearing jingle bells ring
Even when springtime is near

I'll remember our walk through the snow
And the way we kissed without a sign of mistletoe
I'll be dreaming and when I do
Christmas and you will be here

I'll remember our walk through the snow
And the way we kissed without a sign of mistletoe
I'll be dreaming and when I do
Christmas and you will be here!

Christmas and you will be here!
