

I'll Wait For You

Frankie Avalon

Oh, I know we both are young
And must wait 'til school is through
Oo-oo-oo, oo-oo-oo
I'll wait for you

Oh, I tell my impatient heart
There is nothing I can do
Oo-oo-oo, oo-oo-oo
I'll wait for you

There's one day I dream of
The day I can bring
My token of true love
Your engagement ring
I love you

So until the day I'll hear
You will say, Yes, I do
Oo-oo-oo, oo-oo-oo
I'll wait for you

There's one day I dream of
The day I can bring
My token of true love
Your engagement ring
I love you

So until the day I'll hear
You will say, Yes, I do
Oo-oo-oo, oo-oo-oo
I'll wait for you
