

Moonsea

Frankie Cosmos

The world is crumbling and I don't have much to say
We say goodbye, "Goodbye"

Go slow like the train
I hope you know you're not nothing

We've got everything to gain
And I know it's not the same
I'm not in the world that way
At least that's what I'm trying

It's just pancakes on a stove
It's rock and roll and roll
Cause I'm the moon and you are the sea
You always seem sad underneath me

All fires go out later
Some burn a bit greater
But it's all just fire on my ass
Telling me love myself better
