## **Frankie Cosmos**

I do what I have to do This is when I say my I love you This is when I say my I love you I do what I have to do This is when I say my I love you This is when I say my I love you And if I die tell the world How he talks to me like I've imagined How he talks to me like I've imagined It all It all If I drop a pea You're not here to pick it up for me In the kitchen I miss him Jojo Jojo Jojo Jojo Jo... I do what I have to do This is when I say my I love you
