

# Woman

Frankie J

Now most men don't think about this  
And I know you don't hear this much  
And most men might act like ...  
When they really don't care as much  
But you are the best things in our lives  
And you are the sparkle in our eyes  
And by far we both end satisfied  
Girl I gotta confess, please don't settle for less  
Woman, woman, what kind of world would we live in  
Without a woman  
Would there be love and happiness, without a woman  
How can I call myself a man, without a woman,  
That's why my woman is everything to me  
Woman, woman

Now I know you want appreciated,  
And they don't treat you like I know we could  
See Valentines ain't the only day when  
Love can be expressed the way it should  
You are the best things in our lives  
And you are the sparkle in our eyes

And by far we both end satisfied  
Girl I gotta confess, please don't settle for less  
Woman, woman, what kind of world would we live in  
Without a woman  
Would there be love and happiness, without a woman  
How can I call myself a man, without a woman,  
That's why my woman is everything to me  
Woman, woman  
Without you, there wouldn't be Adam and Eve or families  
Without a woman, there would be no one  
Willing to care me, live for me  
Whoa, whoa, whoa, a woman  
Woman, woman, woman, woman

What kind of world would we live in  
Without a woman  
Would there be love and happiness, without a woman  
How can I call myself a man, without a woman,  
That's why my woman is everything to me  
Woman, woman (2x)
