

Can't Get You Off My Mind

Frankie Valli

Mountain high, river flowing
Sky of blue' begging to me
Restless soul' keep on wandering
Spending life being free
Being free

But I can't get you off my mind
No matter what I do
I just can't get you off my mind
I turn around and there you are

You're everywhere I go
You're everyone that I know
You're everything I see
Don't know what's happening to me
What's happening to me

A perfect day' sun is shining
And I wish that you'd share it with me
I [?] that you were crying
I could hear you call my name
You called out my name

And I can't get you off my mind
No matter what I do
I just can't get you off my mind
No matter where I go
I just-

You're everywhere I go
You're everyone I know
You're everything I see
And I don't know what happening to me
(Happening to me)

Let me be
Let me be free

But I can't get you off my mind
No matter what I do
I just can't get you off my mind
No matter where I go
I just can't get you off my mind
I turn around and there you are
I can't get you off my mind
No matter what I do I just can't...
