Franz Ferdinand

```
You can't feel it, you can't feel it
You can't feel it, you can't feel anymore
Can't stop, no I won't stop
Can't stop, no I won't stop feeling
Can't stop, no I won't stop
Can't stop, no I won't stop feeling
You can't feel it, you can't feel it
You can't feel it, you can't feel anymore
Feel anymore, feel anymore, feel anymore
Feel anymore, feel anymore, feel anymore
Can't stop, no I won't stop
Can't stop, no I won't stop feeling
Can't stop, no I won't stop
Can't stop, no I won't stop feeling
You can't feel it, you can't feel it
You can't feel it, you can't feel anymore
Feel anymore, feel anymore, feel anymore
```
