

## Truck Stop

Franz Ferdinand

You see her, you can't touch her  
You hear her, you can't hold her  
You want her and you can't have her  
You want to, but she wont let you

You see her, you can't touch her  
You hear her, you can't hold her  
You want her and you can't have her  
You want to, but she wont let you

She's not so special, so look what you've done, boy  
She's not so special, so look what you've done, boy  
She's not so special, so look what you've done

Now you wish you'd never come back here again  
Oh, never come back here again

You see her, you can't touch her  
You hear her, you can't hold her  
You want her and you can't have her  
You want to, but she wont let you

You see her, you can't touch her  
You hear her, you can't hold her  
You want her and you can't have her  
You want to, but she wont let you

She's not so special, so look what you've done, boy  
She's not so special, so look what you've done, boy  
She's not so special, so look what you've done

And now I'm nailed above you, pushing from my side  
It's with your sins that you have killed me  
Thinking of your sins I die  
Thinking how you'd let them touch you  
How you'd never realise  
That I'm ripped and hang forsaken  
Knowing I will never rise again

You see her  
You hear her  
You want her  
You want to

You see her  
You still hear her  
You want her  
You still want to
