

Turn It On

Franz Ferdinand

It ain't easy being this kind of lover when you never call me
It ain't easy being this kind of lover won't you ever call me

Oh I'm dedicated, yes I'm a forgiver
Oh I'm dedicated, sure I'm a giver
I'm dedicated, yes I'm a forgiver
I'll forgive you always

Although I know you turn it on yeah (turn it on)
Aaah I know you turn it on yeah (turn it on)
Although I know you'll turn it on yeah (turn it on)
Although I know you'll turn it on yeah (turn it on)

You don't wanna know how I manage alone
Oh no you don't wanna know what goes on when I'm on my own
You don't wanna know how I plan on my own, oh no
You don't wanna know how I know when you're on your own

I'll never be alone, yeah (turn it on)
You know I follow you to Rome, yeah (turn it on)
I know the places you call home, yeah (turn it on)
You know I'll get you on your own, yeah (turn it on)

Ah, You know I know where you are
You know I know where you are
You know
I can't have another (you turn it on)
Can't stop thinking of you (you turn it on)
If I can't have you then nobody can

Yeah, Yeah, Yeah,
Yeah, Yeah, Yeah,
You Turn it On (you turn it on)
You Turn it On (you turn it on)
You Turn it On (you turn it on)
(Wooh) You turn it on
