

Walk Away

Franz Ferdinand

G F Am Em

C
I swapped my innocence for pride

G
Crushed the end within my stride

Ami Emi
Said I'm strong now I know that I'm a leaver

C G Ami F
I love the sound of you walking away, you walking away

C G F
Mascara bleeds a blackened tear, oh

C G
And I am cold, yes, I'm cold

Emi
But not as cold as you are

C G Ami F
I love the sound of you walking away, you walking away

C G Ami F Emi
I love the sound of you walking away, walking away, yeah hey

G
Why don't you walk away?

G
Why don't you walk away?

As
Why don't you walk away?

Cmi
No buildings will fall down

As
Don't you walk away

Cmi
No quake will split the ground

As
Won't you walk away

Cmi
The sun won't swallow the sky

F
Won't you walk away?

Cmi
Statues will not cry

As
Don't you walk away

Cmi
Why don't you walk away?

G
Why don't you walk away?

B
Why don't you walk away?

F G
Hey

G F Am Em

I cannot turn to see those eyes
As apologies may rise

I must be strong and stay an unbeliever
And love the sound of you walking away, you walking away
Mascara bleeds into my eye, oh
And I'm not cold, I am old
At least as old as you are

And as you walk away
Oh, as you walk away
Oh, as you walk away
My headstone crumbles down
As you walk away
The Hollywood winds will howl
As you walk away
The Kremlin's falling
As you walk away
Radio Four is static
As you walk away
Oh, as you walk away
Oh, as you walk away
Oh, as you walk away
Hey
