

# You Brought the Joy

Freda Payne

You brought the joy  
Back into my life  
Oh you put a prayer  
Into my life

I was drowning in a river of sorrow  
With no hope and no tomorrow  
Like a ship I was lost at sea  
I didn't know my destiny oh oh  
But like a strong wind darling you came  
And brought me happiness again  
I was sinking deeper in doubt  
'Til you came and pulled me out oh

Each road I took  
Was always wrong  
You gave me every chance  
To belong

You brought the joy (you brought the joy)  
Back into my life  
Oh you put the hope (yes you did)  
Into my life

My soul was like an empty well  
Where a drop of rain never fell  
Like a child who's without a home  
I'm not baptized and all alone oh oh

I had a one way ticket to nowhere  
At every stop I found despair  
Like an angel you came to me  
And laid heaven at my feet oh

Each road I took  
Was always wrong  
You gave me every chance  
To belong

You brought the joy  
Back into my life (I wanna thank you)  
For putting a prayer  
Into my life

You brought the joy (yes you did)  
Back into my life
