

# Greatest Gift Of All

Freddie Hart

(Love love is the greatest gift of all)  
I love everything God created from the largest things down to the small  
But when he gave me you right away I knew love is the greatest gift of all

Thought I had all that life offer but what I had then now seem so small  
For that feeling that comes from loving love is the greatest gift of all

Love is the greatest gift of all  
There is no way to explain it but you know it when you fall  
Because you given a piece of heaven love is the greatest gift of all  
Love is the greatest gift of all
