

Two Times

French Montana

Came fresh cold out the strip, right
Keep it 100 with my clique, right
Wait for it, wait for it, right
Wait for it, wait for it, skrr
Came fresh cold out the strip, right
Keep it 100 with my clique, right

Don't be talkin' bout me or my bitch, right
Don't be talkin' bout me or my bitch, right
Came fresh cold out the strip, right
Keep it 100 with my clique, right
Don't be talkin' bout me or my bitch, right
Don't be talkin' bout me or my bitch, right
Oh-la-la-la, la-la-la, make a movie hey
Oh-la-la-la, la-la-la, make a movie hey
If the pussy good, hit it two times, hah
If the pussy good, hit it two times, hah

Used to dust 'em off and pass 'em to Chinx
Fuck me like an animal, I buy you mase
We ain't work for that, nah we can't do that
Black rose in the concrete grew where the pavement at
Two hoes want my eyes, be like "where the payment at?"
Two hoes, three dice, we was shakin' that
It is what it is man, God rolled it
She gonna deep throat with her eyes open, yeah
Ciroc shots in the air
Talk about me and my bitch
Me and Cash in the Lamb', we got two chains
Came from the bottom like loose change
Jumpin' on these niggas, 23
She jabbin' on these suckers for her fee
They know the dope real on the real though
She got her legs open like field goal, yeah
Ciroc shots in the air

Don't be talkin' bout me or my bitch, right
Came fresh cold out the strip, right
Keep it 100 with my clique, right
Don't be talkin' bout me or my bitch, right
Don't be talkin' bout me or my bitch, right
I came fresh cold out the strip, right
Keep it 100 with my clique, right
Don't be talkin' bout me or my bitch, right
Don't be talkin' bout me or my bitch, right
Oh-la-la-la, la-la-la, make a movie then

Dippin' through the corners, gotta stick and move
Catch me in that trap, watch me make a move
Blowin' hundreds like Chyna back in KOD

Sunday I'ma live, Monday hell week
Back to back Wraiths, bitch the Holy Ghost
Blowin' smoke, sippin' Hen' till I overdose, yeah
Ciroc shots in the air
Don't be talkin' bout me or my bitch
I'ma lie to the law, hand on the Bible
Straight fill the cash, clash me the title
Wait for it, wait for it
Wait for it, wait for it
Besides the main bitch takin' everyone
I'm dippin' through the lane baby, and 1
Ciroc shots in the air

Don't be talkin' bout me or my bitch
Oh-la-la-la, la-la-la, make a movie then
Oh-la-la-la, la-la-la, make a movie then
If the pussy good, hit it two times, hah
