Hurting

Friendly Fires

I can feel in my body Chains on me are breaking loose I can feel in my body Standing tall I make the moves

With the sun kissing my face There's no way that I can lose

And the thing that I Crave your embrace You're the one that's being you

I hear you say I can't let you leave my life like this I hear you say Don't leave, don't leave, don't leave

Either way that I Can't keep feeling the pain of your touch Your touch keeps on hurting

Either way that I Can't keep feeling the pain of your touch Your touch keeps on hurting

Gotta let this go Gotta feel some more on my own Your touch keeps on hurtin'

Gotta let this go Gotta feel some more on my own Your touch keeps on hurtin'

I can feel in my body Free from all the things you wear I can feel in my body Shows me the way, show me the way

I hear you say I can't let you leave my life like this I hear you say Don't leave, don't leave, don't leave

Either way that I Can't keep feeling the pain of your touch Your touch keeps on hurting

Either way that I Can't keep feeling the pain of your touch Your touch keeps on hurting

Gotta let this go Gotta feel some more on my own Your touch keeps on hurtin'

Gotta let this go Gotta feel some more on my own

Your touch keeps on hurtin' Hurting this way Either way that I Can't keep feeling the pain of your touch Your touch keeps on hurting Either way that I Can't keep feeling the pain of your touch Your touch keeps on hurting Gotta let this go Gotta feel some more on my own Your touch keeps on hurtin' Gotta let this go

Gotta feel some more on my own Your touch keeps on hurtin'
