## I'd Love You To Want Me

## **Friends**

When I saw you standing there
I about fell out my chair
And when you moved your mouth to speak
I felt the blood go to my feet

Now it took time for me to know What you tried so not to show Now something in my soul just cries I see the want in your blue eyes

Baby, I'd love you to want me The way that I want you The way that it should be

Baby, you'd love me to want you The way that I want to If you'd only let it be

You told yourself years ago You'd never let your feelings show The obligation that you made For the title that they gave

Now it took time for me to know
