

Never Say Goodbye

Friends

There isn't much I haven't shared With you
along the road And through it all there'd
always be Tomorrow's episode Suddenly that
isn't true There's another avenue
Beckoning, the great divide Ask no
questions, take no side Who's to say who's
right or wrong Whose course is braver run
still we are have always be,ask one

What is done has been done for the best
Though the mist in my eyes might suggest
Just a little confusion about what I'll
lose But if I started over I know I would
choose The same joy the same sadness each
step of the way They fought me and taught
me that friends never say Never say goodbye
Never say goodbye Never say goodbye Never
say goodbye

Suddenly that isn't true There's another
avenue Beckoning, the great divide I would
choose The same joy the same sadness each
step of the way That fought me and taught
me that friends never say Never say goodbye
Never say goodbye Never say goodbye Never
say goodbye
