

Beat Of Harmony

From Dawn To Fall

The taste of wine
Let's get this party clear
Get all your friends let's live it up this year
That shine tonight all lights of gravity
The way you look is how I want to feel

It's getting late but I don't mind
Just tell me where you've been please
Stay a while just close your eyes
And dance to the beat to the beat of harmony

Whoow to the beat of harmony
Whoow to the beat of harmony

We need more ice it's getting hot in here
The weekend burns let's share this sympathy
Let's shine the sun the colours of this dream
Our perfect night is what's supposed to be

It's getting late but I don't mind
Just tell me where you've been please
Stay a while just close your eyes
And take me where the night leads

Time is running out
Please don't let me go

Stay a while just close your eyes
And dance to the beat to the beat of harmony
Whoow whoow to the beat to the beat of harmony
Whoow whoow to the beat to the beat of harmony
Whoow whoow to the beat to the beat

It's getting late but I don't mind
Just tell me where you've been please
Stay a while just close your eyes
And take me where the night leads

Time is running out
Please don't let me go

It's getting late but I don't mind
Just tell me where you've been please
Stay a while just close your eyes
And dance to the beat to the beat of harmony

Whoow to the beat of harmony
Whoow to the beat
Whoow to the beat of harmony
Whoow to the beat of harmony
