

Buffalo And Deer

Fruit Bats

Oh what a day for sunshine, oh what a day for blue sky!
Oh what a day for sunshine, oh what a lazy day!

Fireflies like remoras are sticking to the skin and lighting up
the sky.
Buffalo and deer have trampled trails into the ground.

Oh what a day for sunshine, oh what a day for blue sky!
Oh what a day for sunshine, oh what a lazy day!

Fireworks are going off, you could blow your finger off.
Buffalo and deer have trampled trails into the ground.
Lightning struck the same place a thousand times.

Oh what a day for sunshine, oh what a day for blue sky!
Oh what a day for sunshine, oh what a lazy day!
