

## Evil Eye

Fu Manchu

6 hours before  
With an evil grin  
Better brace yourself  
Straightaway or win

Call power slide  
Separates them all  
Never touchin' the brake  
Unapproachable

Evil eye has set his plan  
Erasin' all  
Evil eye has set his plan  
Erasin' all

Pushed through the floor  
Halfway through the turn  
As we ride up high  
The dirt starts to burn

Wheels of his heap  
Hits the backstreet wall  
Evil eye has signaled  
Unapproachable

Evil eye has set his plan  
Erasin' all  
Evil eye has set his plan  
Erasin' all

Evil eye will fall
