

Super Casanova  
He's on the road again  
Eye'n the sheep honey  
Won't you be my friend?  
Sign up ahead, it read  
Stop and start again  
Here she comes  
I see her comin'  
Right on  
Engines humming  
Eatin' dust  
And double clutchin?  
Cement peelin' and I'm feelin'  
Road hoggin? it  
Foots itchin? and I'm missin'  
Gotta run again  
With a head of gold, I'm told  
Rubber leggin? it  
Here she comes  
I see her comin'  
Right on  
Engines humming  
Eatin' dust  
And double clutchin?  
Here she comes  
I see her comin'  
Right on  
Engines humming  
Eatin' dust  
And double clutchin?
