

Runnin' a motor live-shoot through in time  
Hustle a fortune give-straighten the side  
Chort movin all-burnin' in mind  
Well past the start-i'm given' up this time

I know...right on time  
I know...checkin' the line  
I know...right on time  
I know...

Sit there in hiber sound-spacin' a fall  
Burnin' a handle thin-don't mind at all  
Believe i seen it now-leavin with more  
With all of them wrong-still givin' ya for

I know...right on time  
I know...checkin' the line  
I know...right on time  
I know...
